Some girls are just so fucking hard to please. And some girls are easy to please with just a hard fucking. Vickie falls into that latter category. Just insert your cock (or any cock shaped toy) and she's a happy girl! In fact, the bigger the schlong, the happier she gets. But don't worry if you fall a little, er, short; Vickie knows how to get off all by herself. "You can fuck my hot little asshole while I bang my cunt with this huge rubber dick!" You in?

Sometimes, when engulfed in the throes of passion, there just isn't enough time to strip her out of her clothes completely. With passions running deep and the heat of the moment pulsing through your veins like lighting bolts, the best thing to do is remove the bare essentials in an effort to get straight to the good stuff. So forget about removing her lacy thong, sexy booty shorts or white cotton panties, this girl wants to get it on!

That is precisely the sentiment shared in *Leave Her Panties On 2*, the salacious new stroker presented by director Mike Quasar for Zero Tolerance. In it, five sexy starlets are determined to slip your dick in before they slip their panties off. Granted an up close and personal look at the action, it's only a matter of moments before the first G-string is tugged to the side to reveal a gooey gash. With that said, are you ready for the ultimate spread session?

Holly Taylor, a sexy rocker chick with overt sexual energy, begins the event by swaying her hips for the camera. Panning up the length of her svelte body, we become very familiar with her sexy stockings, striped garter belt and black panties. Sexily making eye contact with everybody in the room, Holly continues her sexy slither in the foyer of the grand house. Later, she removes her bra to expose perky titties that are pierced with silver studs through her nipples. Right now, she's the epitome of what we like to call a dirty blonde.

Waltzing over to an oversized bed, Holly takes a seat on the plush comforter and beckons Billy Glide to come play with her. Slowly opening her legs, she exposes her soggy panties that are already webbed with pussy paste. Licking his lips at the sight of her, it seems as though Billy can't get his hands on her soon enough.

Once together, he removes her sexy garter, pulls her panties to the side and begins dining on her buttery muffin. Demonstrating enviable flexibility, Holly curls her arms around her legs until her body folds on top of itself. Consequently, this move also exposes her sticky buns, offering Billy another choice item on her breakfast menu. Sinking his tongue into each, Billy happily fills up on her happy meal, audibly clanking his teeth on her clit stud in the process.

"All fours," he requests, when transitioning her into their first sexual arrangement. Once positioned behind her, Billy digs his huge hands into her little waist and squishes his fat thumbs into the tramp stamp on her back before gliding is cock inside. Wincing and wailing as her tight pussy stretches, it appears that Holly has never taken a piece of meat of this magnitude in her entire life. Welcome to porn, my dear!

From here, Abby Cross, a slutty teen with black rimmed glasses and a bubbly body, begins her scene a bit backwards. Instead of starting out clothed and ending up naked, she's doing things the other way around. For us, Abby begins her romp in her birthday suit, happily dolling herself up in a pair of white panties and a matching bra. Although a bit unorthodox for porn, her display does make us yearn for another glimpse of her homegrown hooters and hairless kitten.

Once Abby is dressed in her grownup undergarments, we see John Strong, an industry veteran, pushing forward in an effort to test out the springs of this new starlet. With an obvious age differential, this scene automatically goes up on our naughty scale, making this an ideal scenario for fans who love watching older men ravage much younger women.

Unable to control his manly urges, John nearly knocks Abby off the stems of her stilettos when rushing to get his mouth around her tasty, teenage nipples. Squishing her small set together, Abby offers him two hard nipples for the price of one. "Do you like them?" she sheepishly sighs, as John looks up with a shit eatin' grin across his face and saliva sliding down the corner of his lips. We'll take that as a yes!

Soon, John buries his hand in her panties, causing Abby's skin to turn from winter white to neon pink in a matter of seconds. Positively gushing with girly goo in her panties, Abby has already gotten off before her underwear have even slid down the crack of her ass. "I can do a lot more," he teases, causing the young starlet's eyes to bulge out from behind the glimmer of her eyeglasses.

Ready to make good on his promise, John polishes her pussy with his mouth before urging her to slip his dick inside of her hairless hole in missionary position. Now hovering above her small body like big tower of muscle, John has her stick his dick inside of her wet hole. Like metal to magnet, Abby's naturally saucy slit accepts John's fat cock from root to tip. "I love it," she smiles, circling her finger around her colossal clit until she cums yet again. Hot!

Meanwhile, Cameron Dee, an exceptionally beautiful bombshell, is in front of a roaring fireplace thrusting her hips for Quasar's camera. A natural in front of the lens, it seems as though Cameron wouldn't have to do anything at all, except stand there, in order to turn on the object of her affection. But, instead of resting on her good looks alone, it appears as though this girl is a hard worker that is out to make a name for herself in the porn industry.

Happy to be the recipient of her spirited resolve, Anthony Rosano spreads her against a white mattress and begins consuming her natural cans with exaggerated mouthfuls of her supple flesh. Like a raging bull, Anthony continues his trip down her body by licking around her neck, clanking his teeth against her naval ring and mouthing his way inside her pink center. "Oh my gawd," he comically smirks, rubbing his face all around her black panties and swollen pussy lips, until his face actually twinkles with splashes of her twat trickle.

She honors his commitment to cunt by falling to her knees to suck back his hard cock. Sinking his hands into her long blonde hair, Anthony ensures she ingests all that she can in one gulp. Using her head like a steering wheel, he holds her head in place against his groin, and later makes sure she fills up on his double danglers by chugging, "Yeah, don't forget about these guys!"

Once both fuckers are orally satiated, Cameron scales his lap in cowgirl position and is ready to take him for the ride of his life. Unaware of her excellent cock riding skills, Anthony is the one squealing like a piglet once Cameron finds her rhythm. Bouncing atop his cock like a rubber ball, with the crotch of her black panties curled over her butt cheek, Cameron certainly works up one hell of a sweat. After several more cumtastic outbursts from her and several more squeals from him, Anthony pulls out and glazes this cupcake with dollops of his homemade icing. Sweet!

As Cameron walks away, we follow Mia Gold into an expansive living room. Looking beautiful in a red bra and panty set, we can all tell that Mia feels sexy. "How do I look?" she questions, slowly spinning in place to show off her firm body and bubble butt. Noticing the look of lust across our faces, only serves to boost her confidence level to an even higher state than before.

This serves everyone well, the moment Mark Wood steps onto the set. Even before a word is spoken between them, you can feel their obvious attraction for one another. Enticing him to play, Mia straddles the white couch, waving her ass back and forth. "Do you want to stick your tongue up my ass," she teases, as Mark goes into his primal attack mode.

Grateful for this great piece of ass that has befallen him, Mark dives right into action, spreading her cheeks open and burying his head inside of her asshole. "Fuck yes," he mumbles, looking ass drunk and pussy happy once he comes back out for air. "Now, you've made me all wet," she charms, definitely acting more animated and vocal than the bitches that came before.

Whilst already in prime fucking position, Mark later replaces his tongue with his tool. Slipping in with minimal effort, Mia's deep pussy offers Mark's wood a warm grip. Now, with her head smashed into the armrest, Mark turns up the heat by fucking Mia as hard and as fast as he can. Totally unable to catch her breath, Mia's face turns beet red and her eyes roll to the back of her head. As he slows down to catch his own breath, Mia bursts out with a primordial scream that seems to start at her toes and crescendo through her glossy lips. "I love your dick," she comically screams, as her young body yearns for another deep connection.

With more dirty talk, Mia purrs, "Are you going to tear apart my tight little pussy?" Shaking his head yes, Mark slides her panties down to her ankles and continues mauling her muffin in missionary position. With their eyes locked onto one another, it's only a matter of time before Mia is sucking down the fruits of her labor.

Although our time on set ends here, you may want to save some seed for Tiffany Tyler and Anthony Rosano. Like the whores who came before, this girl comes on strong and looks great in her white panties. If you think you can stand the heat, *Leave My Panties On 2* just might be the spice you've been craving!

## double dicked hussy

It's always interesting to meet your porn idols. Take Nadia Bella, for example. We've seen her for the last few years getting spit roasted by two cocks day in and day out, and we always suspected that when it was time to get her into CHERI, she would want to relax a little. Ha! This craven slut demanded that we find two of the biggest dongs around to impale her sweet hump holes and pronto, or however they say "fast" in Russian. Ah, a quick search says it's "bistraya". So, Nadia got her mouth filled with cum very "bistraya". Hey, you can't say you don't learn new shit when you read CHERI!

## INTERVIEW WITH A PORN STAR

# LEYA FALCON

# WET, WET, WET AND READY!

## CUM GUSHER GUSHES ON HARDWORKING SMALL COCKS, LAZY BIG COCKS, PUSSY SQUIRTING AND THE BENEFITS OF STAYING HYDRATED!

*Interview by Emma Edwards*

**What made you decide to enhance your breasts? They are spectacular, by the way!**
Since I was born in Vegas, it seems as though everywhere I'd look there'd be big, fake tits. And, while growing up, I even remember Barbie having great, big tits. So I wanted to have big, fake tits too. They never popped up naturally, so I went out and bought them.

**Did you lose sensitivity in your boobs when you got them enhanced?**
My boobs have never really been all that sensitive to begin with. They are pretty much decoration for me unless it's a turn on for someone else to play with them. My boobs look pretty and make me feel very sexy.

**You're adorned with many interesting tattoos. Do any of them have specific or significant meaning?**
Pretty much all of my tattoos have significant meaning for me. I have my daughter's name on one shoulder, and a picture of Jack Skellington from the *Nightmare Before Christmas* on the other.

I have a skull on my back, which is a logo for my favorite music group ever, Bone Thugs-n-Harmony. My kitty's name is on my back. I had her since I was a child and she just passed in 2010 of old age. I have a pair of handcuffs on my right leg because I collect handcuffs and love rough sex. That tattoo reminds me of being Slave Leia because I love *Star Wars*, hot bitches and kinky sex. I have a bleeding black heart on the back of my neck and a tattoo on my arms that reads, Love is Pain. I was eighteen when I got that one, right after I smoked a fat joint. That tattoo was probably not the best idea. I regret that one.

**Are there any other tattoos that you regret?**
Yes, I also regret the tattoo around my finger with my husband's name on it. Right now, I'm in the process of getting that one removed.

**Which performers have been able to push you beyond your sexual limits?**
I've been pushed beyond my sexual limit by a sexual situation, not by an individual person. I once did a scene for Kink.com, for a project called Public Disgrace. I really loved it, except for the first part of the scene. In that scenario, a bunch of people watched me getting fucked while being able to touch me at the same time. I'm very ADD (attention deficit disorder), so having more than a few sets of hands on me at once completely confuses me and throws me off. I can't focus on actually enjoying myself. That definitely pushed my limits in a good way. Honestly, I don't have very many sexual limits. When having sex, I just like to concentrate on enjoying myself instead of having too many things going on at once. It's too much sensory overload for me to handle.

**After all was said and done, how did the scene turn out?**
It turned out to be one of my favorite scenes ever shot. I had to call out 'stop' a couple of times, but once they chilled out a little bit, the scene turned out to be one of my hottest to date. It was rough, kinky and dirty. They even mopped the floor with my hair. It was crazy.

**Which male performer has the most skillful cock?**
Tommy Pistol has a very skillful cock, despite the fact that it isn't too big. He does very well with what he has. I enjoy performing with him to the fullest.

**In that particular instance, bigger doesn't necessarily mean better.**
I want men to be mean, rough and dirty with their cocks. Some men with big cocks are lazy lovers and may not know what to do with it. What a waste. I want men to rough me up, smack my ass and pull my hair. Some guys are like, 'Yeah, I have a big cock. Just shut up and fuck it!'

**Which female performer has the most skillful tongue?**
I haven't had the chance to perform with many females, which I'm very sad about because I love females. Since I fuck cocks on set, they don't pair me up with girls very often. However, Sheena Shaw is a lot of fun. She has a great ass and an amazing tongue.

**So, is it safe to assume that you enjoy females in your personal life?**
Yes! I always tell people I'm 97.3% lesbian and the other 2.7% is reserved for penis. As far as bodies are concerned, I prefer women. I love playing with them and touching them. I do love me some cock though.

> “I’m dying to work with Lisa Ann. She’s going on my wish list. I can’t wait to be her little fuck doll.

**Since you love 97.3% of women and only 2.7% of that equation is reserved for dick, do you enjoy chicks with dicks (transsexuals)? To us, it would seem the ideal/logical choice.**
No, I have nothing against transsexuals. They just don’t happen to turn me on. If I want to be with a girl, I want to be with one who is 100%. I want her to have the tits, ass, a pretty face and a tasty pussy. I need to connect with her feminine qualities. If I want a guy, he has to be 100% man. He needs to manhandle me and all that shit.

**What would be your ideal type of women?**
Just take a look at Lisa Ann. She is all the woman I could ever need or want. She has huge tits, a beautiful face, a thick ass, and is good at fucking.

**So, do you prefer brunettes over blondes?**
Yes, because I’m a blonde and opposites attract. I do like blondes too but prefer a person that doesn’t look too much like me.

**Have you ever had the opportunity to work with Lisa Ann?**
No, I haven’t. I’m dying to work with Lisa Ann. She’s going on my wish list. I can’t wait to be her little fuck doll. I don’t want to tear my teeth into her. I want her to tear her teeth into me. Lisa Ann, if you’re reading this, you’re on my To-Do List. I’ll let that hot bitch do anything to me.

**Do blondes really have more fun?**
Hell yeah they do! I always have myself a good ol’ fucking time!

**Speaking of fun, where’s the wildest place you’ve had sex?**
I once had sex behind a church. Yeah, I know. I’m a whore. I went to a Christian school that had a church attached to it. So, I ditched school one day and went behind the church to fuck.

**What is your favorite way to reach orgasm?**
I need heavy-duty penetration with something extremely hard. As long as the toy or the cock is hard and pounding the fuck out of me, it will work.

**Have you ever experienced a squirting orgasm while being pounded?**
Squirting is what I’m known for. About 98% of the time, I’m going to have a squirting orgasm when I’m filming. There have only been a few times when I was unable to squirt on screen because the scene was being shot so strangely. I couldn’t get off and it pissed me off!

**Can you make yourself squirt while masturbating?**
Yes, I can! So long as I have a toy, my pussy is going to gush!

**It’s a wonder you haven’t shriveled up and died from pussy dehydration.**
I’m always hydrated. I love water and Diet Coke. I have a really wet mouth and get really sweaty during sex. No matter the situation, it seems as though there is always fluid dripping off me.

**Are you publicly noticed by your fans?**
It has happened a couple of times. At the AVN Awards, everyone seemed to know who I was. I was shocked since I’ve only been in the industry for about a year. I had all these people grabbing at me, taking pictures with me and telling me how much they

They said things like, "I really like your work." But, it has been awkward when fans approach me when I'm with my daughter. Time and place people.

**What is the most thoughtful item given to you by a fan?**
Recently, I got a new iPod, thank god! My old one broke. Since I drive back and forth to Los Angeles for work, I need to have my music. I also got a cat necklace that is made of black diamonds, since my previous cat and my current cat, Ms. Yoda, are black. That gift was really fucking special.

> "Squirting is what I'm known for. About 98% of the time, I'm going to have a squirting orgasm when I'm filming.

**When you are not working, what are you doing?**
I work a lot, even if I'm not shooting. I strip for fun and have been doing that since I was eighteen. I also write a sexy blog. From sun up to sun down, I'm active.

**Who is on your fantasy fuck list?**
Lisa Ann. She's all I need.

**Would you like to branch out and perform in more feature driven productions or do you prefer working in Gonzos?**
I want to do it all. As long as I get fucked in the end, I'm happy. I've only shot one parody so far, but had a great time doing it. I played a stripper in *This Ain't Terminator XXX* for LFP Video. I'd love to shoot more parodies. They are so hilarious.

**Why did you get into the adult business?**
I love attention. I need attention and I love to fuck. I wanted all the attention. I guess I got my wish.

*Photos by Stills By Alan*

There's no point in dancing around it; Bridgette B. has herself some huge fucking tits. There, we said it. Now that we've gotten that out of the way, let's talk about how great it would be to stuff a rock hard cock (preferably our own) right up her hot pussy and asshole then pull out and spray it all over those luscious, giant funbags! Well, we're spent and I'm not sure why Bridgette insists on using that shower head to clean herself off when we keep offering her our tongues. Oh well.

## INTERNAL DAMNATION 5 ⚡⚡⚡⚡

**(Jules Jordan Video) Starring: Asa Akira, Tasha Reign, Anikka Albrite, Krissy Lynn, Devon.**

After long awaited anticipation, the fifth installment to this all-internal series has finally landed! Packed with five of porn's top hussies, director Chris Streams' line-up was clearly worth the wait. The result is a firestorm of aggressive sex that leaves the men sweaty and the women stuffed like Bavarian creampuffs. Looking as beautiful as ever, Tasha Reign entices James Deen with her feminine charms in the first scene. Working his cock in every conceivable arrangement, Tasha doesn't stop grinding until her pussy percolates with pudding. Anikka Albrite, another insatiable whore, is also quick on the trigger when inching Lexington Steele down her throat. Bouncing atop his cock like a jack-in-the-box, Anikka's tight body is on full display, especially when bucking her bull in reverse cowgirl. When finished there, Devon takes a ride on Erik Everhard's baloney pony. Treating him to the best oral play, Devon's reward is a kitty dripping with warm milk. Purrr! Krissy Lynn, a stacked blonde, later has her clock cleaned and polished when Mr. Pete and Toni Ribas rearrange her holes. With heated DP action, it's awesome watching this bitch get double stuffed. And, in the end, Asa Akira dominates Toni Ribas, proving exactly why she's been crowned, Performer of the Year 2013!

# EYE FUCKED THEM ALL 2 ⚡⚡⚡⚡

(Erik Everhard Entertainment) **Starring: Dani Daniels, Sheena Shaw, Olivia Wilder, Alexis Monroe, Dillon Harper.**

Director/Performer Erik Everhard may just prove to be the luckiest fucker alive! In the second installment to his POV series, Erik gathers five of the most bodacious babes in the industry, pounding them to a proverbial pulp. With plenty of pretty pussies to choose from, he certainly has enough material to get the balance right. Dani Daniels, a beauty beyond measure, dolls herself up in a mirror before asking Erik for sex. Happy to comply, Erik positively consumes her cunt before splicing through her pussy like a hot knife through butter. Sheena Shaw keeps the party going by wearing a sexy leather jacket and pants. After some serious booty shaking, Sheena is pummeled in standing arrangements that really show off her fine form and flexibility. Teen queen, Dillion Harper, is up next. She dazzles the camera with a sensational strip tease before connecting with Erik. After some dribbling oral, she works up a pussy froth is several positions. Next, Olivia Wilder has fun showing off her tight body and abs to the camera. Afterwards, she jumps on Erik's lap and goes for broke in cowgirl position. Last, but certainly not least, Alexis Monroe has fun showing Erik her thick ass before allowing him to split her seams in any configuration he sees fit. Wow!

# CUM GLAZED 3 ϟϟϟϟ

(Vince Vouyer Unleashed) **Starring: Sheena Shaw, Abbey Brooks, Zoey Nixon, Josi Valentine, Carolina Monro.**

With a cast of beautiful girls that look just as delicious as warm apple pie, director Vince Vouyer has hand-selected chicks with insatiable penchants for pole. Shot across five hardcore scenes, watch as these young tartlets are glazed like donuts. The results are scrumptious! By far and away, the best this production has to offer is Sheena Shaw. With a perfect ass and a come-hither look, Sheena draws you in with her sexy eyes and keeps your attention throughout. Knocking boots with Erik Everhard, Sheena really shines in cowgirl position. Also strong is Zoey Nixon's romp with Vince Vouyer. Dangling his cock in front of her like a carrot, this teenage tart bites. Later, he stuffs her pussy full in plenty of positions before busting his nut across her natural 32-DDs. Nice! Next, we find Josi Valentine wrapping her lips around Eric John's cock, delivering a spirited blowjob. With pulsing energy, she rides him out, taking a face full of frosting for her efforts. Carolina Monro, a Norwegian with big tits, also has a go with Vince Vouyer. With loads of groping action, Vince definitely gets his fill. In the end, Abbey Brooks, a curvaceous cock tease, turns up the heat by asking Mr. Pete to fuck her up the ass. Whatta girl!

## ASS FACTOR 2 ⚡⚡⚡

**(The Ass Factory) Starring: Chastity Lynn, Cassandra Nix, CeCe Stone, Sierra Banxxx.**

Highlighting four, cock hungry asses, director Chris Streams delivers a heart pounding presentation that will satiate anal aficionados. With incredible energy and stellar camerawork, there isn't a dud in the bunch. The result is unbelievable pornography, with plenty of elastic assholes to go around! CeCe Stone is the first babe up to bat. She begins with a steamy tease sessions that includes plenty of butt play. Later, she gives up gobs of gash and gape to Manuel Ferrara. Never letting up, Manuel makes this dirty dame dribble, drool and drip. Eager for a piece of Sierra Banxxx's chocolate thunder, Mr. Pete butters up his black beauty with kisses before devouring her juice box in the following scene. After poking around her pussy, Mr. Pete stuffs her asshole full of sausage, getting the most mileage out of her in reverse cowgirl. Manuel Ferrara continues the show with Cassandra Nix by bending her over and placing paw prints across her ass. Afterwards, he climbs atop her body and stuffs her face full of prick before hammering her hinny. Their climactic finale causes this anal princess to salivate at the mouth. In the end, Chastity Lynn, the most recognized starlet, goes bonkers when Mark Wood and Toni Ribas stretch out her holes. Accepting one in the pink and one in the stink, this girl is on top of her game.

The nice thing about eating some poolside cunt is that when you get your fingers and tongue all covered in pussy juice you can jump right into the deep end and get clean. The even cooler part about the situation here is that you've got hours and hours of fingerbanging and tit sucking before you gotta take a dip. Some problems are nice to have, eh? For these babes, there are no problems, just three hot wet pussies waiting to be fucked with a huge double donger! So, who's gonna cum first? Let's see!

# gina

## eight ways ‘til sunday

Photos by Stubborn Stain

It's easy to imagine, but some girls really, seriously do like to take as much cock as they can. Sweet little Gina is one of those dreamy girls. She spends her weekends stuffing her slit and ass with her fingers and toys building to a magnificent Sunday afternoon bang-a-thon where she takes on two tools at the same time. Her dedication to dick shows as she gleefully accepts the double schlong inserts from one hole to the other and back again, cleanliness be damned! Then, just as each rod is ready to erupt, they each pull out of whichever fuck hole they happen to be in and spew all over her face! And just like that, it's time to start another week.

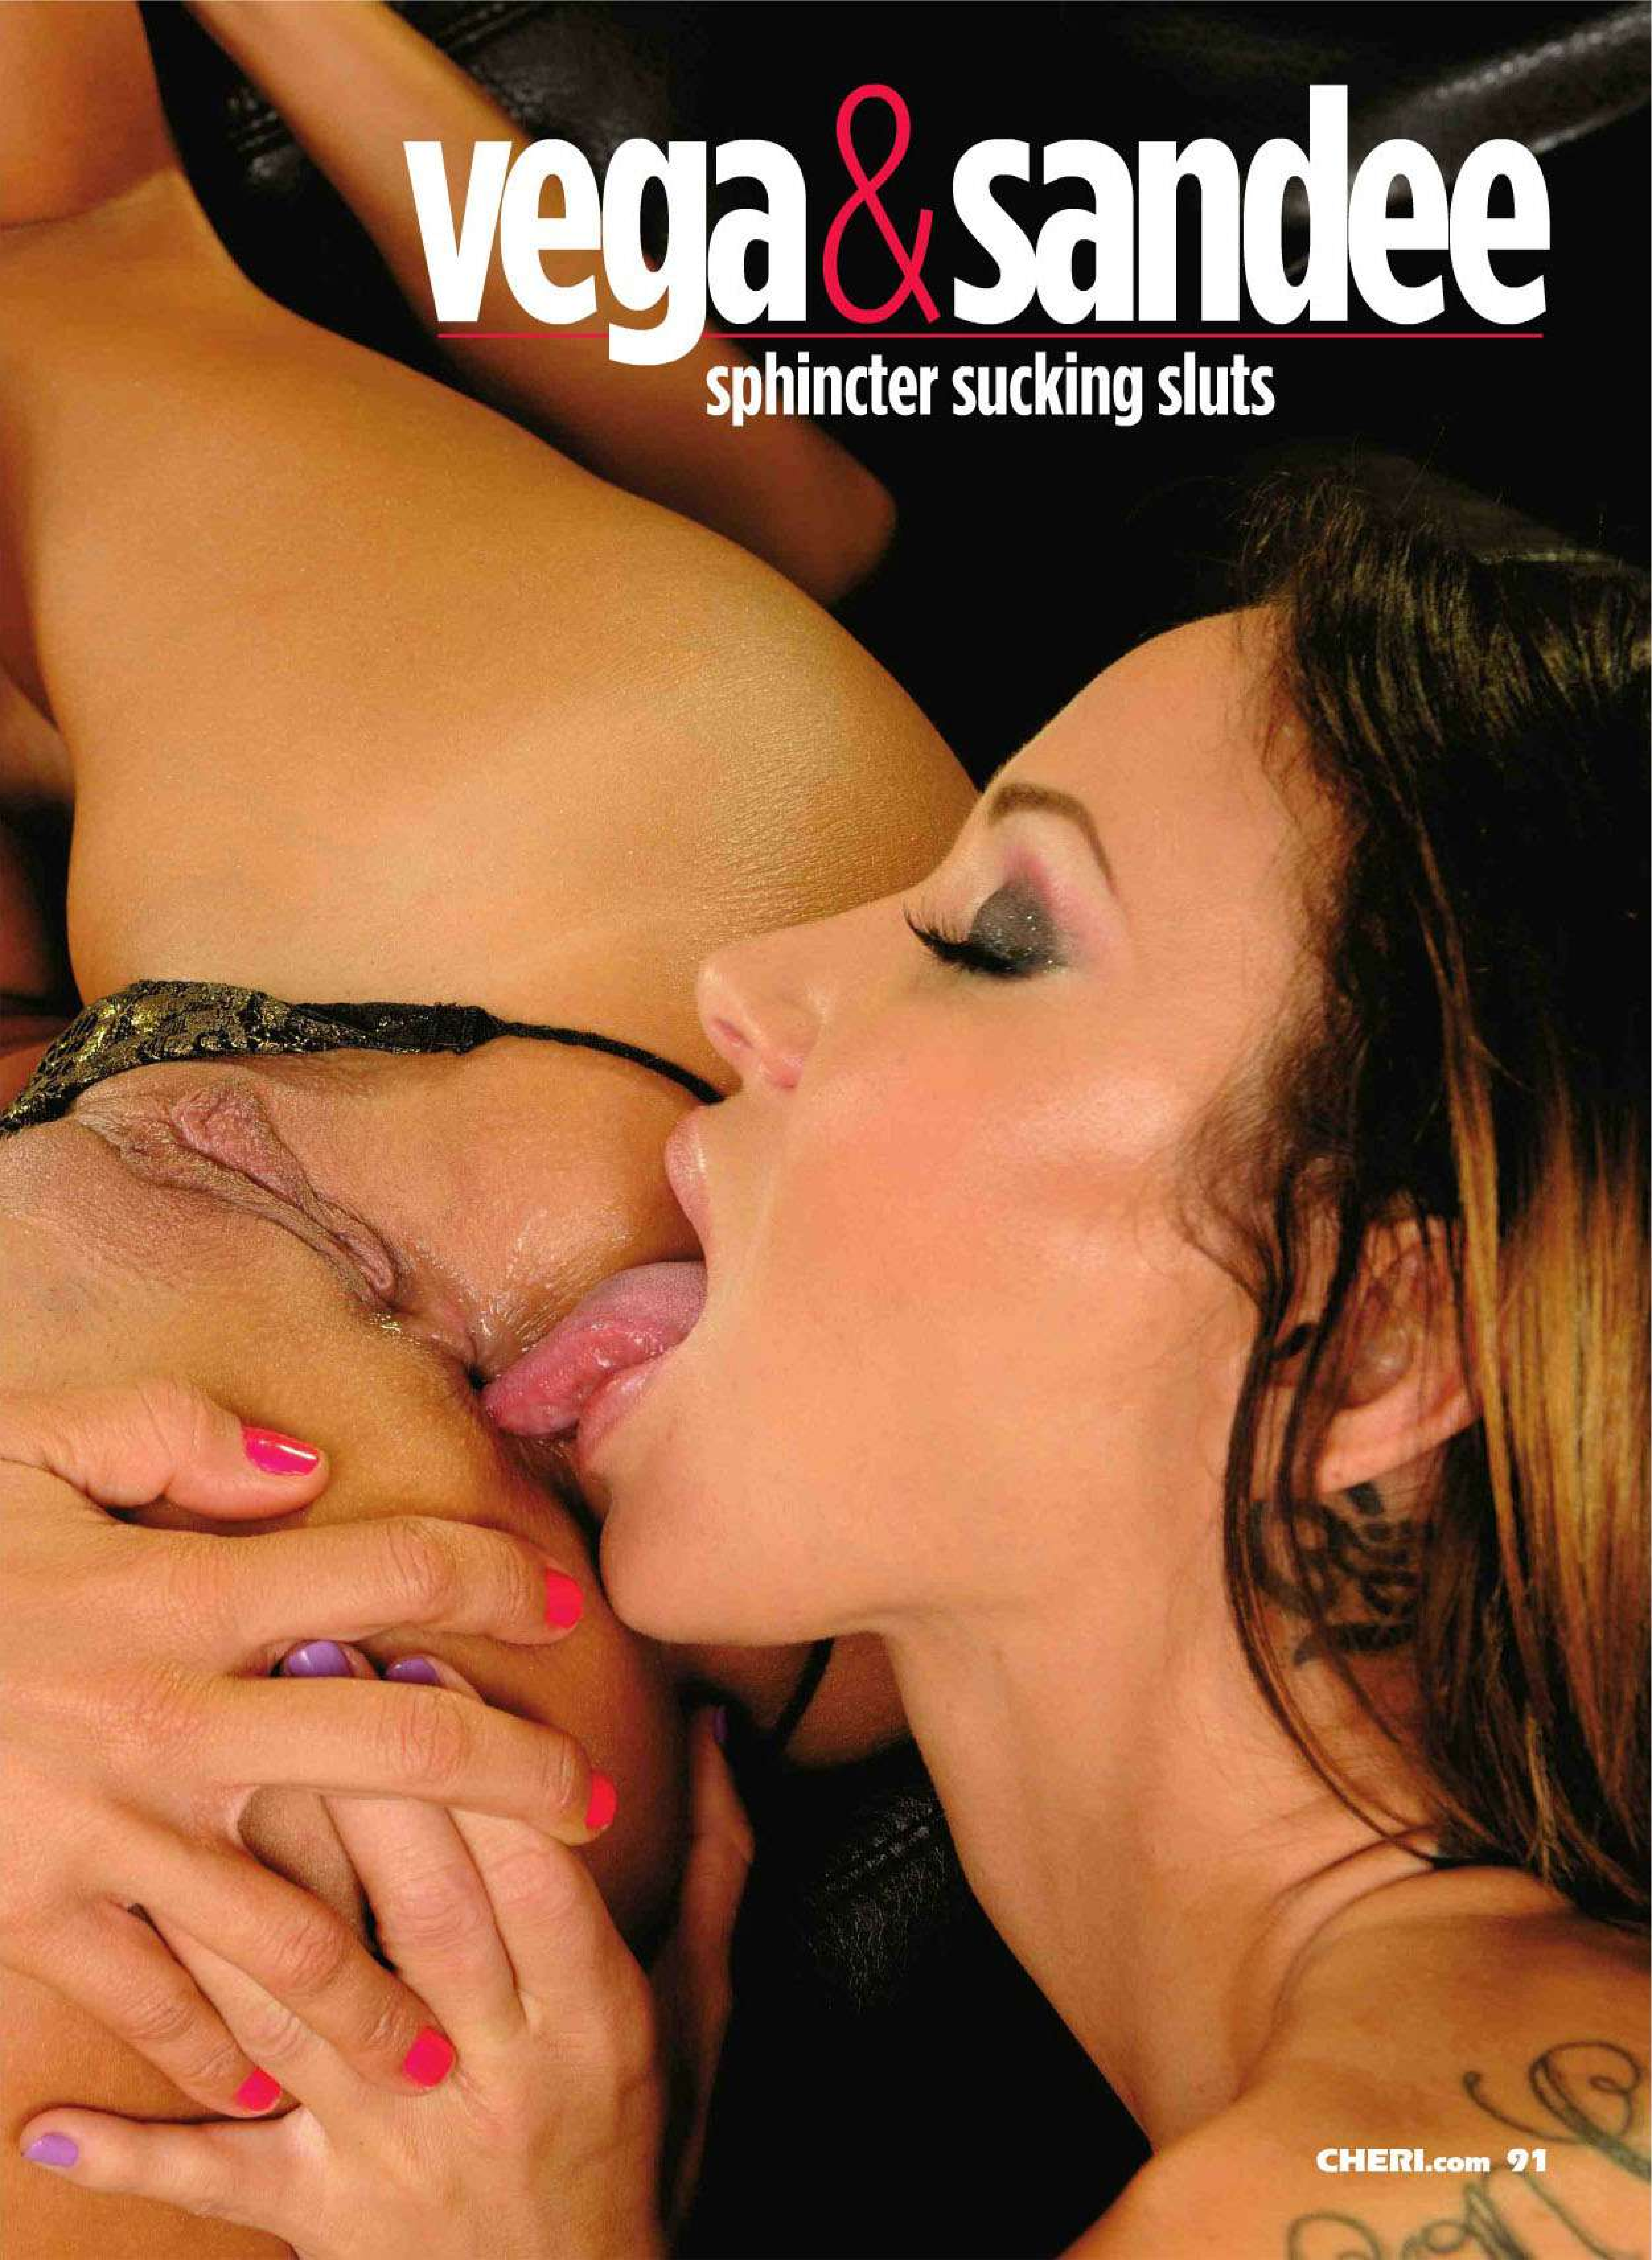
# vega & sandee

## sphincter sucking sluts



Is there any greater act of devotion than licking your lover's asshole? If there is, Sandee and Vega haven't found it. Sure, you can eat a girl's pussy, but anyone can do that. For the truly committed, taking a trip to Analville and populating that dark hole with a pink wet tongue is still the ultimate in love. And just in case you squeamish types out there who want some cunt but are a little unsure about taking on the butthole, take it from these alphabet loving labe lickin' lesbos' unforgettable quote: "You lick the 'A', you'll get the 'V' every fucking time!"

*Photos by Stubborn Stain*
